

Listening Task 2 (slightly more complex) – Comprando frutas

For this task, you will watch a video and then write your answers to the comprehension questions below. Your teacher will play the video two times. It is ok if you cannot understand everything. Just try your best! Afterwards, you will review the answers as a class together.

1. How does the person on the motorcycle greet the fruit vendor? What word does he say?
2. What does he order from the fruit stand? How many or how much does he order?
3. A community elder approaches the men and praises the guy for what he is eating. She then says two things that *contrarrestan* (fight against) the corona virus. What are the two things that she says?
4. Can you try to listen for a whole phrase that one of the speakers say? This can be from any part of the video. Try to repeat it and then write down exactly what you here below:
